

1 Q. Re: Account T07: Please provide a detailed description of the various assets and  
2 corresponding cost of each set forth in Account T07 – Transformers – Pole  
3 Mounted, including all information and documentation the Company believes is  
4 significant or meaningful to the determination of life characteristics. The  
5 description should include the number, voltage, size, date of installation and  
6 corresponding cost of each transformer. Further, provide all reasons and  
7 justification, including all documents that support any position that an average  
8 service life greater than 30 years (e.g., 35 or 40 years) is not appropriate.

9  
10

11 A. Please see CA-NLH-140 Attachment 1. This account was analyzed in total, rather  
12 than on an asset by asset basis, and the asset specific data was therefore not a  
13 consideration.

Below is a list of all assets in account T07 - Transformers-Pole Mounted that were included in the data list used for Gannett's depreciation study.
