6 A. Refer to CA-NLH-142 Attachment 1 for the list of assets retired from account T07 -
7 Transformers Pole Mounted from 1991 to 2009. It represents 19 years of data
8 which is all that is available. The quantity disposed of is not available from 1991 to
9 1998. The voltage and size were not captured separately as part of the asset record
10 however this information is sometimes captured as part of the asset description as
11 seen in the attachment.
