

1 Q. Re: Account T09: Please provide a detailed description of the various assets and
2 corresponding cost of each set forth in Account T09 – Turbines, including all
3 information and documentation the Company believes is significant or meaningful
4 to the determination of life characteristics. Further, provide the hours of
5 operations by year for each separate system since placed into service as well as all
6 life limitations and expectations of the manufacturer for each system.

9 A. Please see CA-NLH-146 Attachment 1. This account was analyzed in total, rather
10 than on an asset by asset basis, and the asset specific data was therefore not a
11 consideration. Please refer to the CA-NLH-83 Attachment 2 for information
12 regarding operating hours by year. Data regarding life limitations and expectations
13 of the manufacturer for each system is not readily available.

Below is a list of all assets in account T09 - Turbines that were included in the data list used for Gannett's depreciation study
