

1 Q. [Account R15 - Runner] - Please state whether Hydro believes that a 37L5 life-curve
2 combination is not also a reasonable representation of actuarial results for the
3 investment in Account R15 - Runner. To the extent Hydro believes the 37L5 life-
4 curve combination is not reasonable, provide all support and justification for such
5 position including all meaningful and significant factors.

8 A. As shown in CA-NLH-207 Attachment 1, the Iowa 33-R5 provides a better fit to the
9 retirement experience as compared to the Iowa 37-L5. As such, Gannett Fleming
10 believes that the Iowa 33-R5 provides a superior fit to the retirement experience.
