

1 Q. Please confirm that Hydro has rejected the recommendations of Gannett Fleming in
2 the 2005 Study and the 2009 Study with respect to the use of the Equal Life Group
3 method, and the depreciation transition deferral account.

4

5

6 A. Hydro confirms that Average Service Life (ASL) is the recommended depreciation
7 method based on Gannett Fleming's 2009 Depreciation Study and that Hydro is not
8 applying for a depreciation transition deferral account. Also refer to the response
9 to the request for information CA-NLH-59.
