

1 Q. It is proposed that in the future, dismantlement will be recognized as a legal or  
2 constructive asset retirement obligation. What are the revenue impacts of the new  
3 treatment? Has Hydro considered how this can be implemented on a revenue  
4 neutral basis?

7 A. Full consideration of matters relating to asset retirement obligations (ARO) has  
8 been more fully explored and is more appropriately dealt with as part of the ARO  
9 proceeding.
