

- 1 Q. Page 27, lines 16 to 17; "...Hydro's arbitrary and unilateral decision to cease the
2 booking of depreciation when it believes an item becomes fully depreciated...". Have
3 any orders subsequent to P.U. 17(2002-2003) varied Hydro's approved depreciation
4 methodology to revise its depreciation calculation in a manner that permits
5 continuing booking depreciation when an item becomes fully depreciated as outlined
6 by Mr. Pous?
