

1 **Q. At page 43, lines 16 and 17, Mr. Pous claims that “the investment in this account**
2 **appears to consist of concrete foundations and concrete pillars. From this**
3 **standpoint, one would expect a much longer ASL than 50 years.” Please provide all**
4 **supporting documents and bases for this specific comment.**

6 A. Mr. Pous did not rely on any specific documents for his statement in this case. Rather, he
7 relied on his extensive experience, including observation of concrete foundations for
8 various utility assets.
