

NLH CA 47

- 1    **Q.    Does Mr. Pous view that a contractual extension for rights of way should always be**  
2        **assumed or that the right of way will always be extended after the lease for right of**  
3        **way has expired?**  
4
- 5    A.    No. Please see page IV-179 of the 2009 Gannett Fleming depreciation study, which  
6        identifies five points of retirement activity for this account, some of which may be associated  
7        with a decision not to renew a land right.
