8 **RESPONSE:** A cursory review of the dockets for which Ms. Lee was assigned over the past  
9 ten-year period while employed by the Florida Public Service Commission does  
10 not indicate that Ms. Lee filed testimony in any. The referenced dockets Ms. Lee  
11 was assigned are included in Exhibit PSL-1. These are all in the public domain.  
12 The recommendations, Commission orders, and all case documents can easily  
13 be found by searching the dockets (search for documents in each docket) on the  
14 Florida Public Service Commission's website. As a staff member of the  
15 Commission, the evidence entered into a regulatory proceeding that went to  
16 hearing was through hearing exhibits; evidence in a proceeding that did not go to  
17 hearing can be gleaned through the various recommendations. As noted in  
18 Exhibit PSL-1 attached to the testimony of Ms. Lee, the dockets are listed as to  
19 whether they are electric, gas, or telecommunications.
