

1 **NLH-IC-24** **In making the recommendation for a 70-S4 IOWA curve, please provide the**
2 **specific weighting utilized by Ms. Lee of each factor considered in the**
3 **development of the recommended IOWA curve.**

4 **RESPONSE:** Ms. Lee had no objections to the Company's proposed curve shape. Ms. Lee's
5 only disagreement is with Hydro's proposed life.
