

1   **Reference:**   **Expert evidence of Patricia S. Lee, pages 25 to 28 regarding Account P03-**  
2                   **Penstocks.**

3   **NLH-IC-25**   **Please provide copies of all evidence of Ms. Lee entered into a regulatory**  
4                   **proceeding over the past ten-year period relating to the life estimates of**  
5                   **hydro-electric generation station penstocks. Please include the life**  
6                   **estimate of the Applicant, and identify any changes as proposed by Ms.**  
7                   **Lee.**

8   **RESPONSE:** As can be gleaned from Ms. Lee's testimony regarding work experience, she has  
9                   not entered evidence into a regulatory proceeding during the past ten years  
10                  relating to the life estimates of hydro-electric generating station penstocks.
