Attention: Ms. Cheryl Blundon
Director Corporate Services & Board Secretary

Dear Ms. Blundon:

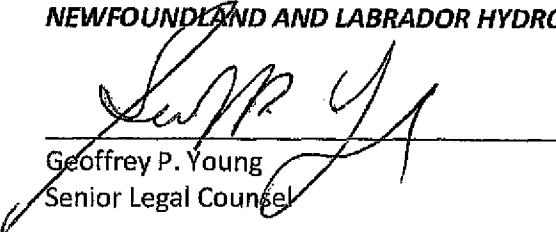

**Re: Newfoundland and Labrador Hydro – 2013 General Rate Application
Updated Responses to Requests for Information.**

In the letter dated July 10, 2015, the Board requested Hydro to provide the date when responses to the Newfoundland Power RFIs, which Hydro contested, can be provided to include 2016 detailed forecast information. Hydro's 2016 budgeting process is currently underway. The current budget process would indicate that approval by Hydro's Board of Directors is anticipated to occur in November 2015. Hydro confirms it will provide the requested RFI updates shortly after receipt of approval of the 2016 budget.

Should you have any questions, please contact the undersigned.

Yours truly,

NEWFOUNDLAND AND LABRADOR HYDRO
