September 21, 2015, 26 Page 105, lines 16-18 - time charges for asset management

Mr. McDonald offered to provide an undertaking to go back and check how the Asset management time was charged back in 2008.

The time associated with Asset Management was primarily related to 2009, not 2008. See response to PUB-NLH-316, Page 3, Line 16 to Page 4, Line 5. Of the hours allocated to Asset Management in 2009, Mr. McDonald charged 80% to Hydro and 20% to CF(L)Co.
