AION

Endorsement S-1
Limited Failure To Supply Extension

IT IS HEREBY UNDERSTOOD AND AGREED that:-

The coverage afforded by this Policy DOES NOT apply to any liability for Personal Injury or Property Damage arising out of the failure to supply unless:

1. Such failure is caused by an Occurrence; and

The combined capacity of the Insureds installed production facilities and contractual supply arrangements is equal to or greater than one hundred and ten percent (110%) of the electricity demand or one hundred percent (100%) of the gas demand (whichever demand is applicable) immediately preceding such failure, on the Insured's electric or gas system.
