

1     Q.     **Reference: 7.**

2           Were there any communications between Hydro and its insurers and/or brokers  
3           about the decision to no longer provide Failure to Supply coverage prior to  
4           November 19, 2013? If so, who were the participants in those conversations, and  
5           what was the content of those communications?

6

7

8     A.     Communications between Hydro and its broker with respect to the July 1<sup>st</sup> renewal  
9           terms were primarily verbal, with some written communication in May 2013. Please  
10          see NA-NLH-001 Attachment 1.
