

1 Q. Application, July 2013 Rate Stabilization Plan Evidence, page 14/16-17, Hydro
2 states that: "...the IC rate phase in will be considered to have been completed at
3 August 31, 2015."

4

5 Please explain why Hydro has not continued with step rate adjustments for the
6 Industrial Customers into the year ending August 31, 2016.

7

8

9 A. Refer to the response to PUB-NLH-11.
