5 A. The primary contract documentation was provided in the response to DD-NLH-001.

6 The other contracts and purchase orders for the project are voluminous and, in

7 aggregate, their values comprise less than four percent of the estimated project

8 cost. Providing these documents is not useful or meaningful for the Board or the

9 Intervenors to gain an understanding of the issues that are relevant in the present

10 matter before the Board.
