

1 Q. **Project C-11, Upgrade Shoreline Protection – Cat Arm**

2 At page 4 of the report filed at Volume I, Tab 4, Hydro notes that it submitted an
3 Application for Permission to Occupy Crown Lands in 2012 and subsequently
4 applied for a Crown Easement to the road lands, which application is pending
5 approval. When was the application for easement submitted? When does Hydro
6 expect this application to receive approval?

7

8

9 A. Hydro submitted the application for easement on February 24, 2012. The
10 application review process is underway and Hydro anticipates approval of the
11 application prior to the end of 2013.
