

1 Q. **Project C-35, Upgrade Circuit Breakers**

2 On page 5 of the report filed at Volume II, Tab 15, Hydro states that 13 air blast  
3 circuit breakers are to be replaced in conjunction with the Lower Churchill Project.

4 Please explain. Is the cost of these replacements still included in the Capital  
5 Budget?

6

7

8 A. No, the budget costs for the replacement of 13 air blast circuit breakers in  
9 conjunction with the Lower Churchill Project are included in the Lower Churchill  
10 Project cost and not in the Upgrade Circuit Breakers project.
