

1 Q. **Project C-60, Upgrade Diesel Plant Production Data**

2 Do other major utilities in Canada collect detailed demand information (including
3 daily load profiles) from remote communities?

4

5

6 A. Hydro is aware of two major utilities in Canada that collect detailed demand
7 information from remote communities through its connections through the
8 Canadian Off Grid Utilities Association, but has not confirmed if any of the other
9 major utilities collect this information.
