

1 Q. **Reference: Install Handheld Pendant to Overhead Crane, Volume I, Section D,**
2 **Page D-98.**

3 What is the expected remaining service life of the overhead crane?
4
5

6 A. Hydro estimates the service life of a powerhouse overhead crane to be 70 years
7 based on Gannett's proposed service life. The Bay d'Espoir overhead crane has an
8 in-service date of 1967. Therefore, the expected remaining service life is 24 years.
