

1 Q. **Reference: Remove Safety Hazards, Volume I, Section D, Page D-205, Table 3**

2 What Safety Hazards have been identified and what is the associated forecast  
3 estimate for removing safety hazards in 2013?

4

5

6 A. While some safety hazards have been identified, investigation is ongoing related to  
7 defining appropriate solutions and no projects have been approved to date. No  
8 2013 forecast is available at this time.
