

1 Q. The response to request for information (RFI) PUB-Nalcor-77 from the 2012
2 Muskrat Falls Review states that first power is expected from the Muskrat Falls
3 Project in late 2016 and full power in mid-2017. Please:

- 4 a) Supply a copy of this RFI for the record.
5 b) Confirm that these are the dates that Hydro is using for capex decisions.

6

7

8 A. a) Please find a copy of the RFI PUB-NLH-77 from the 2012 Muskrat Falls
9 Review attached.

10 b) Nalcor has indicated that first power from Muskrat Falls will occur in 2017.
11 Consequently, Hydro has been using this date for capital expenditures
12 decisions.
