

1 Q. Please supply a copy of the purchase power agreement (PPA) between Hydro and
2 Nalcor for the purchase of power from Muskrat Falls. Does the pricing in the early
3 years of the PPA take account a lesser degree of reliability in Muskrat Falls Power as
4 suggested by the stated requirement to maintain Holyrood at standby production
5 until 2020-2021?

8 A. The power purchase agreement for the Muskrat Falls project is outside the scope of
9 Hydro's 2014 Capital Budget Application and is not required for the parties and the
10 Board to gain an understanding of the matters properly being considered in the
11 current proceeding.
