

1 **RFIs on 2006 Peer Group Report**

2

3 **Q. (page 2) What is the current status of the CEA program to develop appropriate**  
4 **benchmarking performance measures for use in a regulatory setting?**

5

6 A. Appendix E of the report *Peer Group Performance Measures For Newfoundland Power*  
7 dated December 21, 2006 is a copy of the CEA Policy Paper on Benchmarking Data in  
8 Regulatory Settings.

9

10 The *Peer Group Performance Measures for Newfoundland Power* is provided in the  
11 response to CA-NP-311.

12

13 The goal of the CEA initiative in this regard is to propose a set of high-level indicators  
14 for use in regulatory settings by the end of 2007.
