

1 **Q. Reference: CA-NP-39: please provide revised tables, where appropriate, to show the**
 2 **number of employees who were at eligibility for unreduced pension benefits for**
 3 **each year and state out of those who reached full eligibility for unreduced pension**
 4 **benefits, how many actually retired in each year.**

5
 6 A. Table 1 and Table 2 show the number of regular employees eligible for unreduced
 7 pensions by Management and Union positions, respectively. Table 3 compares the
 8 number of employees eligible for unreduced benefits to the number that elected to retire
 9 in that year.
