

1 **Q. Reference: CA-NP-87: please describe Envirofest and advise whether consumers**  
2 **pay for it?**

3  
4 A. EnviroFest is an annual event held in eight communities across the province in  
5 celebration and recognition of Environment Week. During EnviroFest, the Company  
6 partners with environmental and community groups to hold trade shows, cleanups, and  
7 tree plantings, with the goal of providing education and increasing awareness about the  
8 environment and its protection, including the wise and efficient use of energy.

9  
10 This year marked the 10<sup>th</sup> anniversary of EnviroFest. More than 100 community groups  
11 and the Provincial government participated in the events which were attended by over  
12 4000 people across the Island.

13  
14 The costs associated with EnviroFest are treated as a non-regulated expense and are  
15 therefore not included in the test year revenue requirement.
