A. The request for information requests that Newfoundland Power provide legal argument and authorities to support its objection to provide information requested in a request for information. Where a party objects to providing information requested in a Request for information issued pursuant to Section 14 of the <i>Board of Commissioners of Public Utilities Regulations, 1996</i> (the "Regulations"), Section 15 of the Regulations requires the objecting party to provide a response stating the objection and setting out the grounds for the objection. It does not require that the objecting party provide legal argument and authorities to support its objection as part of the Request for Information process. Newfoundland Power has complied with the requirements of Section 15 of the	2	Q.	upon by NP for its claim of solicitor-client privilege.
and authorities to support its objection to provide information requested in a request for information. Where a party objects to providing information requested in a Request for information issued pursuant to Section 14 of the <i>Board of Commissioners of Public Utilities Regulations, 1996</i> (the "Regulations"), Section 15 of the Regulations requires the objecting party to provide a response stating the objection and setting out the grounds for the objection. It does not require that the objecting party provide legal argument and authorities to support its objection as part of the Request for Information process. Newfoundland Power has complied with the requirements of Section 15 of the Regulations in relation to CA-NP-173. Accordingly, Newfoundland Power objects to the provision of the information requested in this Request for Information pursuant to	3		
information.
