

- 1 Q. Re page B-35: indicate the frequency of use of the original bridge over
2 Southwest River and whether anyone other than Hydro or Abitibi uses this
3 bridge.
4
5
- 6 A. Hydro used the original bridge approximately fifteen times a year to carry out
7 preventative maintenance. It is not known how many crossings were made to
8 address emergencies. There are two cabin owners that used the original
9 bridge.
