

1 Q. Confirm that there are no written guidelines on the use of snowmobiles and
2 ATV's as appears from the answer to IC 19.

3

4

5 A. Confirmed. There are no written guidelines for the use of snowmobiles and
6 ATV's. Use of these devices is controlled by supervisors and is limited to
7 work activities where these machines are the most viable alternative to heavy
8 off-road tracked vehicles.
