

1 Q. **Re: Page 23, line 9**

2 This line indicates a footnote 29 is associated with it, however the footnote itself  
3 has been omitted. Please provide footnote 29.

6 A. The omitted footnote indicates the serial numbers of the engines on which  
7 overhauls had been completed. The footnote reads: *“<sup>29</sup> Engine serial number*  
8 *202205 and 202224.”*
