Subject: RE: Presentation Request -Pre-hearing conference on supply issues and power outages

Ms. Blundon

We will be focusing at the pre-hearing conference upon the scope of the inquiry and the need for the Board to take a longer term perspective. We will refer to reserve requirements and the reliability standards we must meet after interconnection. We will require 15 minutes.

In scheduling our presentation at the hearing itself we request that it be placed toward the end of the hearing. If this is not possible then it should be toward the end of the public comments and briefs. Many thanks.

Sincerely
David Vardy and Ron Penney

Ron Penney and I wish to make a presentation to the Board at the pre-hearing conference, as well as at the hearing itself. I trust this notification is adequate. Please confirm.

Sincerely
