Dear Sirs/Madams:

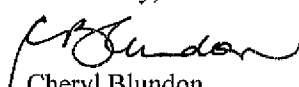

Re: Investigation and Hearing into Supply Issues and Power Outages on the Island Interconnected System - Phase One - NLH 2015-2019 Energy Supply Risk Assessment Report and the Teshmont Report - RFI Schedule

Please be advised that Newfoundland and Labrador Hydro's 2015-2019 Energy Supply Risk Assessment report filed by Hydro on May 27, 2016 will now form part of the record for Phase Two of the investigation.

Requests for Information (RFIs) and responses on this report and on the Teshmont report, filed on May 27, 2016 are required before The Liberty Consulting Group can file its report. RFIs on these two reports are to be filed with the Board on or before Friday, June 17, 2016. The responses date and further schedule will be set following receipt of the RFIs.

For ease of reference, when submitting your covering letter for the RFIs, please identify the RFIs which relate to each report (for example RFIs PUB-NLH-578 to PUB-NLH-590 relate to the Teshmont Report).

Yours truly,

Cheryl Blundon
Board Secretary
