

1 Q. Please provide the latest update on Hydro's schedule to implement their plans to
2 achieve NERC compliance.

3

4

5 A. Decisions and the plan regarding NERC compliance have not changed materially
6 from the update provided in Hydro's response to PUB-NLH-157.

7

8 A dedicated position has been established and it is planned to have a resource in
9 place by Q4 2014 to advance plan development.
