

1 Q. (Response to CA-NLH-10) Please provide an update of discussions with Corner  
2 Brook Pulp & Paper and other Industrial Customers relating to interruptible power  
3 for the coming winter and beyond, and provide an indication of when Hydro  
4 expects to make a submission with the Board.

5

6

7 A. Discussions relating to interruptible power contracts are nearing conclusion. Hydro  
8 expects to make a submission to the Board in October.
