| 1 | Q. | Please provide in detail the steps followed in Hydro's capital budget approval |
|----|----|--|
| 2 | | process identifying each entity that reviews and approves the budget prior to |
| 3 | | submission to the Board. Specifically, do Hydro's President and CEO, Hydro's |
| 4 | | Leadership Team, Hydro's Board of Directors, Nalcor's Vice-President of Asset |
| 5 | | Management/Project Execution and Engineering Services; Nalcor's Leadership Team |
| 6 | | and Nalcor's Board of Directors review and approve Hydro's capital budget prior to |
| 7 | | submission to the Board? |
| 8 | | |
| 9 | | |
| 10 | A. | Hydro's capital budget proposals are developed by various levels of Hydro staff with |
| 11 | | review and approval by senior managers prior to it being submitted to the executive |
| 12 | | leadership. The preparation of the annual Hydro capital budget follows the |
| 13 | | guidelines issued by the Board of Commissioners of Public Utilities; please refer to |
| 14 | | PUB-NLH-413 Attachment 1, page 2 and PUB-NLH-414 Attachment 6. |
| 15 | | |
| 16 | | The Vice-President of Newfoundland and Labrador Hydro, the Chief Financial |
| 17 | | Officer of Hydro and the President and Chief Executive Officer of Hydro and Nalcor's |
| 18 | | Vice President of Project Execution, Technical Services and Asset Management |
| 19 | | review and approve the completed capital budget prior to it being submitted to |
| 20 | | Hydro's Board of Directors for approval. Once it is approved by Hydro's Board of |
| 21 | | Directors, the submission is made to the Board. |
