

1 Q. (Re: December 18, 2012 Letter from Hydro to Board entitled *Newfoundland and*
2 *Labrador Hydro - 2013 Capital Budget Application*) Had these Holyrood capital
3 projects been completed as originally planned in 2013, what impact would they
4 have had on the power outages of the winter of 2013/14?

5

6

7 A. The equipment associated with these projects was not related to the power
8 outages which occurred in January 2013 and January 2014.
