

1 Q. Please provide the dates of, and participants in, any meetings held between officials
2 of Hydro and Newfoundland Power to review and identify the measures required
3 for the successful integration of Muskrat Falls power and energy on the Island.

4

5

6 A. The integration of the Lower Churchill Project is a regular agenda item on the
7 Newfoundland Power - Newfoundland and Labrador Hydro Joint System Planning
8 (Joint Planning) Subcommittee. In particular, integration issues were discussed at
9 the following meetings of the Joint Planning Subcommittee:

- 10 • December 4, 2013;
- 11 • June 4, 2014; and
- 12 • October 9, 2014.

13

14 The Joint Planning Subcommittee membership consists of the following
15 representatives:

- 16 • Newfoundland Power
 - 17 ○ Director of Engineering;
 - 18 ○ Director of Revenue and Supply; and
 - 19 ○ Planning Engineer.
- 20 • Hydro
 - 21 ○ Manager Transmission Planning;
 - 22 ○ Manager Generation and Rural Planning; and
 - 23 ○ Senior Market Analyst.
