

- 1 **Q. In NP's opinion, what process should Hydro follow to gain approval of any changes**
2 **to Newfoundland Power's Curtailable Service rate option?**
3
- 4 A. Hydro does not seek approval of changes to Newfoundland Power's customer rates.
5
6 If and when changes to Newfoundland Power's Curtailable Service Rate Option appear to
7 be appropriate, Newfoundland Power will seek the Board's approval of such changes in a
8 manner that is appropriate to the circumstances.
9
- 10 See the response to Request for Information CA-NP-009 which outlines the current
11 extent of discussions between Hydro and Newfoundland Power on this matter.
