

1 Q. Please provide the mapping showing the entrance points on the ocean floor where  
2 each of the three cables will emerge on both sides of the Straits.

3

4

5 A. Figure 4-19 of Exhibit 35 as filed for the Muskrat Falls Review and referenced in  
6 Hydro's response to DD-NLH-051 provides a map of the Strait of Belle Isle showing  
7 the locations where the horizontal directional drill boreholes pierce the seabed.
