

1 Q. Please outline the terms of reference or scope of work completed to date by 'the
2 specialized contractor', instead of SNC Lavalin, for the SOBI Crossing Project.

3

4

5 A. As indicated in Hydro's response to DD-NLH-052, the HDD program has been
6 completed in its entirety.

7

8 With the completion of these activities, the boreholes will have been prepared in
9 accordance with the requirements of the submarine cable supplier and installer
10 (Nexans).
