

1 Q. Please provide a copy of the Manufacturer's Warranty which comes with these
2 cables.

3

4

5 A. The warranty for the cables provides for the following terms:

6 • A warranty period of 36 months commences upon successful completion
7 of the last of the three cable systems; and

8

9 • For the duration of the warranty period, the contractor warrants against
10 any and all defects, errors and failures in design, materials, engineering,
11 workmanship and installation and that all of the work and warranty work
12 shall be fit for purpose.
