

1 Q. In the event that the suit launched by Hydro-Quebec concerning the interpretation  
2 of the Churchill Falls Contract is subject to appeals from one side or the other, and  
3 in the event that the courts determine that, until the matter is finally resolved the  
4 status quo should prevail, please explain how NLH would replace the power and  
5 energy guaranteed it under the MFPPA during the appeal period.
