

1 Q. **Re: GRK-NLH- PUB-NLH-217**

2 If a complete LIL outage were to occur and Hydro had to secure 300 MW of imports
3 over the Maritime Link, is any agreement in place with Nova Scotia Power or any
4 other entity to provide that power, or to ensure that transmission is available to
5 deliver it through Nova Scotia? If so, please describe these arrangements in detail.
