7 A. The Wood Pole Line Management Program began in 2005 as a capital program. The
 8 following table provides actual person hours for 2005 to 2013 and projected person
 9 hours for 2014 for employees in thousands of hours. The table also includes actual
 10 labour costs for 2005 to 2013 and projected labour costs for 2014 in thousands of
 11 dollars for contractors. Hydro does not track person hours for contractors.
