

1 Q. What is the earliest expected in-service date for the Maritime Link? To what extent
2 can this in-service occur prior to the in-service of Muskrat Falls and the LIL?

3

4

5 A. The in-service date for the Maritime Link (ML) is Q3 of 2017. As per the current
6 schedule, the ML will be in-service in advance of both the Labrador Island Link and
7 Muskrat Falls.
