

- 1 Q. Reference: Response to Request for Information NP-NLH-004
2 Were any tower designs performed prior to the adoption of the weather criteria
3 outlined in Table 1 - LITL Climatic Design Criteria from the response to Request for
4 Information NP-NLH-004? If so, please provide the design criteria used for those
5 towers.
6
7
- 8 A. The criteria outlined in Table 1 were adopted before tower design work was
9 initiated.
