

- 1 Q. Please indicate the extent, if any, to which Teshmont has reviewed or analyzed  
2 Hydro's estimate of a two week repair time for major system failures as indicated in  
3 the response to Request for Information PUB-NLH-299.  
4  
5
- 6 A. As per NP-NLH-108, and because the study was mainly an equipment based  
7 reliability assessment, extended system failures were outside the scope of the  
8 study.
