

1 Q. Please provide organization charts depicting the project management for Muskrat
2 Falls project and Labrador Island Link project.

3

4

5 A. Please refer to Independent Engineer's Report, prepared by MWH Americas Inc.,
6 filed as PUB-NLH-210 Attachment 1, which shows the project management
7 organizational structure for the Muskrat Falls and Labrador-Island Link projects (see
8 page 39). The Lower Churchill Project is managed at the executive level within
9 Nalcor through an Executive Committee, on which Hydro is represented.
